Thanks, FYI, the parcel and owner changes are now complete excepting a small handful of parcels we're investigating and will resolve in the next few days.

All that will be left is to calculate assessments (if increased) so we will submit the fully complete levy on or before Friday, June 15th.

Thanks!

Thank you, Rita & Dennis.

Our levy is well underway and will be complete by June 1st with one exception. Our board will vote on whether or not to increase assessments at our Friday, June 8th meeting, so we won't have the assessment amounts on June 1. We expect to have the levy with 2019/20 assessments complete on Friday 8th if there is no increase, and by no later than Tues 12th if we do have an increase.

Dennis --

If you would like to begin reviewing the owner and parcel data, we're happy to submit the levy on or before June 1. If you prefer us to hold until we also have the assessments calculated, let me know and we will submit between the 8th and the 12th.

Warmest regards, Tara

Please see the attached letter regarding the 2019 assessment database and use the attached excel spreadsheet format to submit.

If you will be increasing the assessment, be sure to submit board authorization. If you need more time
